

Peninsula for sale

Land > Paxos, Greece

ID: RR390

1.800.000 €

Description

For sale a unique piece of land of 25.000 sq.m. untouched by the crowds, a heavenly peninsula of which one side has an accessible beach with pebbles while on the other side a path leads to a “private” beach where only through the peninsula somebody could have access, otherwise by the sea.

This piece of land is surrounded by rugged cliffs that descend to the sea, creating isolated coves. The stunning peninsula could be an option for someone to build a unique home at this piece of land as it is buildable up to 317 sq.m. for residential use.

However peninsula’s position in combination with the breathtaking and panoramic view which offers, buildable up to 4.970 sq.m. (for commercial use) could be ideal for someone to develop a hotel (i.e. boutique hotel) as it could undoubtedly be considered as one of the greatest investment opportunities.

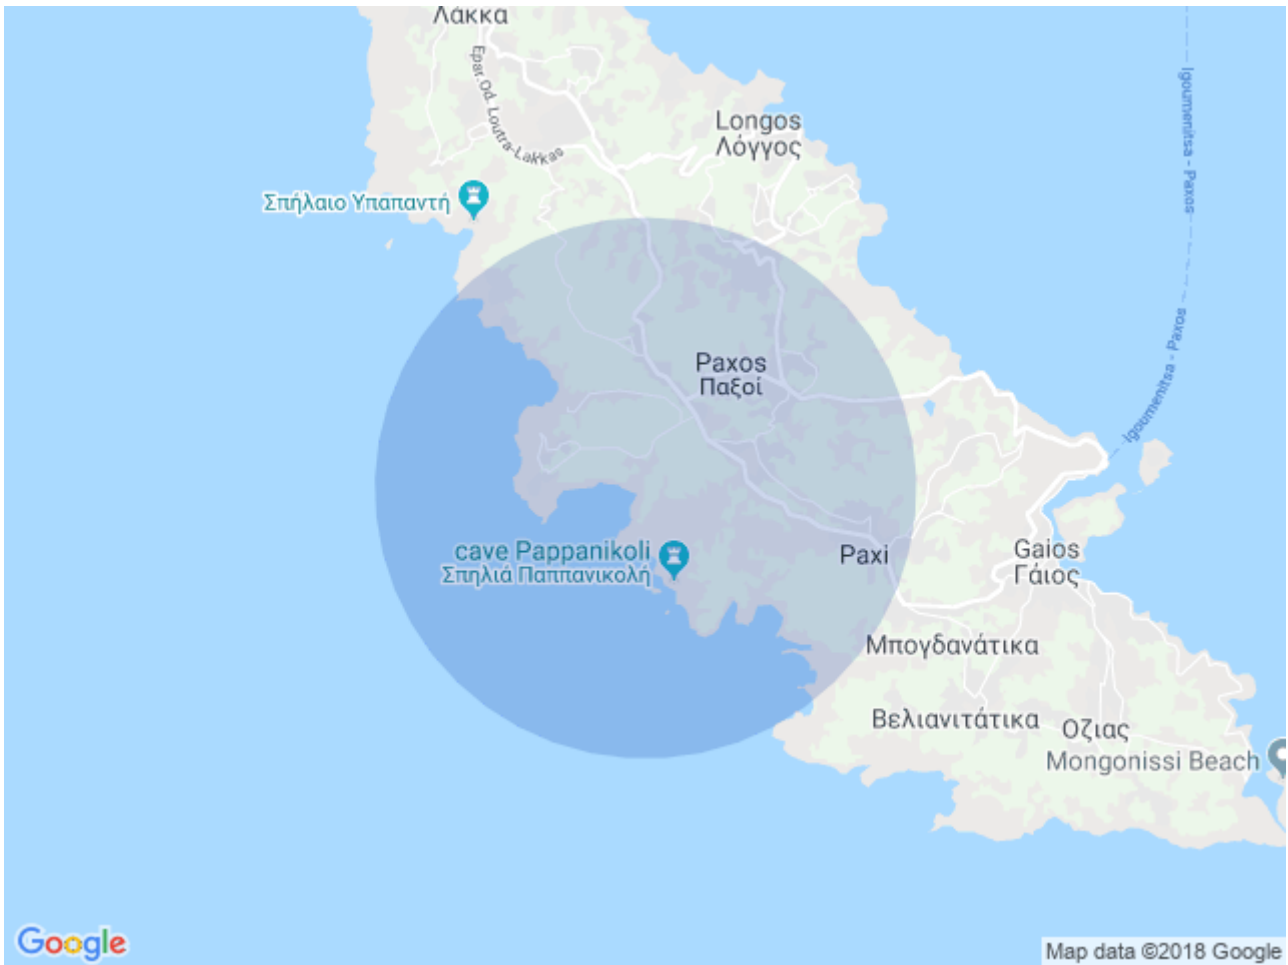

Orientation of peninsula offers sunshine all day but even more magnificent sunsets. Distance from the main town of Paxos is approx 2 klm away.
